# Exhibitors' Profile

## Business objectives in participating at Windergy India 2023

“First and foremost, Windergy is a platform to meet all the wind industry people under one roof. You can enjoy the meetings with old friends, colleagues. Sharing is caring here in the Windergy. The organization and layout of the trade fair were impeccable. Navigating through the different sections and booths was easy, thanks to clear signage and helpful staff members who were always ready to answer questions. The attention to detail in the event's planning was evident, making my visit both efficient and enjoyable. One of the highlights for me was the opportunity to network and connect with professionals from different fields. I had the chance to engage in meaningful conversations, exchange ideas, and even establish potential business partnerships. The trade fair provided an ideal platform for networking and relationship-building.”

**SRINIVASAN S**

LUBERR PRIVATE LIMITED

“Our overall experience as an exhibitor and sponsor in Windergy India 2023 was very good. The expected outcome from the event was achieved to a large extent with good value for our investment. Logistics and availability of food has scope for improvement.

**Arijit Sen**  
Flender

“Overall was a good experience, learnt about the upcoming strategies in market and renewable energy.”

**Ketki**  
ifox windtechnik india private limited

“Thanks for a good show last week. I just want to express our gratitude towards what a fantastic good show it was for the Danish companies. We are therefore interested in being back next year.

If in Delhi we want to reserve 120-150 sqm. If you choose to have show back in Chennai then we are looking at 150-200 sqm space.

**Soren Rasmussen**  
DWEA

“Windergy India 2023 is one of the class event which help the corporates to come together under one roof & get business recognition. Overall Experience was good. It was our first participation in Windergy.”

**Nitish Kariya**
