3 Day Trade Fair - 2 Day Conference - Technical Sessions - Round Tables - B2B Meetings - B2G Meetings

## Windergy India 2025 – Propelling the pursuit of clean energy

The seventh edition of Windergy India 2025, India's only trade fair and conference for wind energy, concluded successfully at the Chennai Trade Centre (October 29-31, 2025). Windergy India 2025 brought together 350 exhibitors from over 20 countries and attracted around 16,000 plus visitors. Country pavilions representing Denmark, Germany, and Spain highlighted the international cooperation in advancing wind power technologies. In every sense, Windergy India 2025 was a vibrant hub of collaboration, innovation, and dialogue, amplifying India's renewable energy ambitions.

The event was inaugurated by Shri Pralhad Joshi, Hon'ble Union Minister for New and Renewable Energy, on October 30, in the presence of Sh. S.S. Sivasankar, Hon'ble Minister of Transport and Electricity, Government of Tamil Nadu and Mr Johann Saathoff, Parliamentary State Secretary to the Federal Minister of Economic Cooperation and Development, Germany.

# Conference Sessions

## Wind Power: Policies and Partnerships Towards Aatmanirbharta

The conference hosted nine panel discussions and exclusive technology presentations, addressing the most pressing issues in the wind energy landscape. Key sessions included:

### Wind Manufacturing – Way forward to Aatmanirbharta (A Govt. - Industry Dialogue)

### Opportunities & Challenges for Cost Reduction of Raw Material Suppliers to Wind Components

### Opportunities and Challenges in growing the C&I market for wind and hybrid projects

### Winds of Influence: Women Leaders Redefining India's Wind Sector

### State Leadership: Powering Wind

### Repowering Wind Projects in India

### Domestic Supply-Chain & Export Competitiveness

### Advancing Offshore Wind Development in India

### Global best practices for wind installations and O&M

## Indo-German Business Roundtable on Wind Energy

The Indo-German Business Roundtable brought together senior leaders from both nations, chaired by Mr Johann Saathoff, Parliamentary State Secretary, BMZ. CEOs and key representatives from companies such as Servion Wind, ZF Wind, Flender, Nordex, Siemens Energy, TUV SUD, and others from the German Pavilion participated in the dialogue.

## MoU's

- The Council on Energy, Environment and Water (CEEW) signed an MoU with the Indian Wind Turbine Manufacturers Association (IWTMA) at Windergy India 2025, in the presence of Shri Pralhad Joshi, Hon'ble Minister for New and Renewable Energy, Shri S. S. Sivasankar, Minister of Transport and Electricity, Government of Tamil Nadu, and Mr. Johann Saathoff, Parliamentary State Secretary to the Federal Minister of Economic Cooperation and Development, Germany. The MoU aims to strengthen India's clean energy supply chains and accelerate the growth of the wind energy sector.
- IWTMA signed Memorandum of Understanding with German Wind Energy Association (BWE) aimed at accelerating India's path from 53 GW to 100 GW of wind energy by 2030. This major collaboration aligns industry, policy, and research objectives to drive India's wind sector into its next phase of growth.

## Academia Sessions

Windergy India 2025 Academia session for the next generation of green leaders, on Day three of the expo, drew students from across India to learn about the exciting career opportunities within the renewable energy sector.

The Intriguing and informative sessions by Nordex Global Shared Services and Aditya Birla Group were well received by the students.

## State Leadership Awards 2024 - 2025

- Karnataka – National Award for Highest Under-Construction Wind Capacity
- Rajasthan – Excellence in Wind and Hybrid Policy
- Gujarat – National Award for Highest Cumulative Wind Capacity Installed
- Tamil Nadu – National Award for Outstanding Contribution to Wind Repowering Initiatives
- Maharashtra – National Award for Leadership in DISCOM-led Hybrid Procurement Initiatives
- Madhya Pradesh – Emerging State for Wind Development
- Andhra Pradesh – National Award for Highest Declared Wind Installation Target Achieved

## The Road Ahead: Windergy India 2026

Windergy India continues to strengthen its position as a powerful catalyst for the wind energy ecosystem, connecting policy, technology, and industry vision. Each edition has raised the bar, building momentum, fostering innovation, collaboration, and actionable solutions that have accelerated India's clean energy transition.

As the sector advances toward ambitious renewable energy goals, Windergy India 2026 stands poised to be a larger, more dynamic platform that drives partnerships, showcases breakthrough technologies, and shapes the future of sustainable power.

# 83%

of exhibitors have expressed interest in participating in Windergy India 2026.
